1st Hour: FQN Experience
2nd Hour: Support Alliance
3rd Hour: Beyond Legion Meeting

FQN Experience:

Thursday February 16th at 9p PST, 12m EST, 4a UTC (Fri Feb 17th)

The FQN Experience is an open session with no specific topic or focus. Instead we allow an emergent experience to happen through the interactions of whoever shows up. In other words anything is possible, and every FQN Experience can be completely different. The only rules are to allow break out sessions for sub experiences that are announced at the beginning, and also to generally break up into small groups of 5-10 people to allow for greater participation.

Support Alliance:

Thursday February 16th at 10p PST, 1a EST, 5a UTC (Fri Feb 17th)

This is a time to come together and support each other to allow ourselves to get help on our personal burdens, and allow ourselves more time to unite to achieve our collective goals for the future. This includes LIFE Support where we support each other on our Basic Life Necessities. Organization Support - to help orgs meet basic business and non-profit needs including taxes, and business structures, sponsorship etc... Legal Support - where we help each other understand the legal issues involved in any aspect of your life or work. And also Internal Support - where we help each other find balance harmony, and grounding within.

Beyond Legion Meeting:

Thursday February 16th at 11p PST, 2a EST, 6a UTC (Fri Feb 17th)

This is our Structured Meeting with Agenda and Facilitator. - Anyone can suggest any agenda item, and the group who shows up can determine the final agenda. We will be going through proposals, appointing officers, Approving Plans, and other proposals that come up. And at the end we can break up into work-groups and buddy teams.
